Re: *New Jersey Sports Productions, Inc. v. Panos Eliades, et al.*
Civil Action No. : 06 CV 1509 (HB)

Dear Judge Baer:

We hope this finds Your Honor well.

We write as counsel for the defendant Banner Promotions, Inc. to request that the referenced lawsuit be dismissed forthwith in accordance with Your Honor's previous Order.

This case was commenced in February of 2006. After multiple delays, last December 28 Your Honor entered the following hand written order, a copy of which is attached for the Court's convenience. It appears to read:

"My view is that the matter will be dismissed without prejudice and off my docket come April 15, should you choose to share this (and I wouldn't bet on it making much difference) with the Nevada Court you are welcome to do so."

The Clerk may have erred in his typed endorsement (also enclosed) which reflected Your Honor's Order as providing for dismissal "with *due* prejudice." (emphasis added)

On April 11, 2008 counsel for plaintiffs incorrectly wrote to this Court that "The Court in its last correspondence asked us to inform it by April 15 whether we wished to proceed" and then, just to the contrary of your ruling, requested that the case be restored to the active calendar.

We respectfully request that the case be dismissed.

Yours sincerely,

Raymond A. Levites

We know that this status report will be unsatisfying to the Court since we could not develop more specific information. However, it is accurate in its indefiniteness.

Respectfully submitted,
